

## OMRON STANDARD WARRANTY TERMS & CONDITIONS

1. Below terms and conditions are applicable to products with a standard OMRON Warranty ("Warranty") purchased from, and, registered with OMRON Healthcare Malaysia Sdn Bhd ("OMRON") indirectly through OMRON's authorized distributors in Malaysia. OMRON reserves the right to modify, amend and update this Warranty at any time and such modifications, amendments and updates shall become effective immediately upon posting on OMRON's website.
2. OMRON warrants that your OMRON product does not have defects in materials and workmanship during the warranty period set out in Clause 7 ("Warranty Period"). During the Warranty Period under normal use, OMRON will replace or repair the defective part(s) free of charge. Parts or materials which are subjected to normal wear and tear are not covered by this Warranty.
3. This Warranty is offered to the purchaser ("Customer") of an applicable OMRON Product ("Product") and is only valid in the country of original purchase (Malaysia) from authorized retailers and online resellers.
4. The Customer has to complete the Warranty registration online at <https://www.omronhealthcare-ap.com/my/warranty> within (10) days after purchase. Original or copy of purchase receipt MAY BE REQUESTED for verification during service/repair. Online warranty registration is only applicable for Products with production batch/ serial number starting from 2019. For production batches / serial numbers prior to 2019 which are purchased from authorized resellers or retailers, we request for customers to reach out to us for us to determine if such products are under warranty. Email: [omronaftersaleservice.my@dksh.com](mailto:omronaftersaleservice.my@dksh.com).
5. OMRON reserve the right to reject warranty that contains incomplete and/or incorrect warranty information.
6. The Warranty is not transferable, negotiable or assignable to any third party.
7. The Warranty is a value-add service that begins on the first day of purchase for a period stipulated below:

### **Service Requests/ Warranty Claim**

9. To initiate a service request or warranty claim in Malaysia including accuracy checks → Request a service via call or <[Service Request Form](#)> (“Form”).
10. You may call the Support Hotline at (603) 78907037 during business hours or email us at [Healthcare-MY@omron.com](mailto:Healthcare-MY@omron.com) to request a service. Our Customer Service Representatives will be ready to guide you through the service process.
11. To expedite service, please ensure that you have your proof of purchase, Product serial number readily available before placing the call or filling in the <[Service Request Form](#)>. For all service requests, the sales receipt/invoice/warranty confirmation email for the Product must be attached in the Form or presented upon request at our service centre.
12. The warranty registration confirmation email/SMS or copy of receipt, where applicable must be kept by Customer and has to be attached when filling in the <[Service Request form](#)> before sending to our service centre with the Product, at the Customer’s expenses.
13. Repairs or servicing will only be carried out at our service centre. The Customer acknowledges and agrees that OMRON is unable to provide onsite servicing.
14. The address and contact details of our service centre are provided below.
15. For a Product eligible for Warranty, Customer will send the product to the service centre at their own expense. OMRON will cover the costs for returning it to the Customer's designated residence or place of use. Should the Customer requests delivery or shipping of a Product that is no longer under Warranty or where the Warranty is not applicable, whether to send the Product to the service centre or deliver

the repaired Product to Customer's designated residence or place of use, relevant shipping/delivery fees will be charged. If the customer fails to respond to the courier or does not receive the delivery after up to two (2) delivery attempts and subsequently requests a re-delivery, additional charges will apply.

16. Upon notification that the serviced or repaired Product is ready for collection, the Customer shall collect the Product or arrange for its delivery within 60 days from the date of such notification. . Failure to do so grants OMRON the right to dispose of the uncollected Product at their sole discretion. Omron shall in no event be liable or responsible to the Customer in any manner whatsoever for the disposal of uncollected Product in accordance with this clause. For the avoidance of doubt, the 60-day collection period applies whether the collection is from the service centre or retail stores.
17. Our service centre may contact the Customer to check the Product's condition before any servicing is carried out.
18. To the extent allowed by the applicable local law, the remedies in this Warranty are the Customer's sole and exclusive remedies. Under no circumstances shall the Warranty coverage extend to any loss or injury to a person or loss damage to property or any incidental, contingent, special or consequential damages or any direct or indirect loss. No implied warranty, including that of satisfactory or merchantable quality or fitness for a particular purpose, applies to the product after the Warranty Period. No other warranties (express or implied) or guarantee given by any other party in respect of the product shall bind OMRON.
19. If the Product is replaced, then, to the extent permitted under applicable law, the remaining term of the Warranty will be automatically terminated unless stated otherwise by OMRON. The Product with the original Warranty will then become the property of OMRON (if replacement is accepted by the Customer) without need for further authorization.
20. If identical Products are not available at the time of replacement, OMRON reserves the right to substitute comparable products or models and does not guarantee that the replacement will match the existing or original piece.
21. The total value of all repairs and/or replacements made during the Warranty Period shall not exceed the total purchase price paid for the product. All decisions made by OMRON in respect of servicing of the Product (including repairs or replacements of products or parts) shall be conclusive and the Customer agrees to be bound by such decisions.
22. A product service fee and spare parts costs (if any is required for repairs) will be charged to any Product repairs/maintenance/servicing if the Product is no longer under any Warranty or if Warranty is inapplicable. The 30-Day User Verification Period ("UVP") is a period automatically provided (after repairs) for products WITHOUT any Warranty. Customers can use this UVP to observe their product after repair. Any defects, within this 30-day UVP, for the same product, OMRON will repair for free. For Product that malfunctions at the last 30 days of their Warranty Period, the UVP will also be provided.
23. Under normal circumstances, our service centre will service or repair the product where feasible, within 5 working days upon the unit arrived at the service centre. If additional time is required, our service centre will notify the Customer promptly.
24. This Warranty shall be governed by and construed in accordance with the laws of Malaysia.
25. Before contacting the service centre, OMRON recommends the Customer to read the troubleshooting section in the instruction manual of the Product. This section describes error indicators and common troubleshooting tips that may assist the Customer in using the Product.
